Our Library

About us –
The Mirboo North Schools Library is a joint facility serving both the Mirboo North Primary School and the Mirboo North Secondary College. The library houses a wide range of resources, both fiction and non-fiction catering for a wide range of reading abilities and maturity, and a variety of current technologies, including iPads and digital cameras.

Accelerated Reading Program –
Mirboo North Primary School students are enrolled in the Renaissance Accelerated Reading Program. This program aims to build a reading culture, motivates our students to read, and integrates reading and ICT. Students read books in their designated reading levels, and then complete online quizzes relating to these books.

**ACCELERATED READER LINKS**

- AR Book Finder
  (for a complete list of available quizzes)
- AR Home Connect
  (Home Connect link to access your child’s quiz results)

For more information about Star Reading please visit the MNPS star reading blog at –
